MANUALLY CONNECTING TO WI-FI FOR REVEL POS ORDER TAKERS

- Tap the “Settings” icon in the iPad home screen to launch the Settings app.
- Tap the “Wi-Fi” tab to open the Wi-Fi Settings menu.
- Slide the “Wi-Fi” toggle switch to “On” to turn on Wi-Fi if not already on.
- Tap the “Other” option in the Choose a Network section. The Other Network screen displays.
- Type the SSID of the hidden network in the Network Name field. *Ex: revfriendlys*
- Tap the “Security” option, and then tap WPA2. A check mark appears next to the chosen security type.
- Type the passphrase for the hidden network in the Password field. *Ex: revelup!*
- Tap the “Join” option. The iPad connects to the hidden Wi-Fi network, and the Wi-Fi symbol displays in the status bar.
